Dear Friend:

I should have sent you this check for envelopes long ago. Please forgive the delay. Be sure and get the envelopes with the stamps already on. It saves so much work. This will pay for 1000 with cent and a half stamps.

The printer will have the letters ready Monday. This will not give us too much time, but it will be enough. If you can get the envelopes addressed in the meantime all will have to be done is to fold and put them in the envelopes. Will pay the girls who do the work.

I am ordering the placards today. You will get them some time next week. The Yankees and Cubans are not coming down on May 4th. Instead we are coming with the Phila. Stars on the 8th. I prefer this anyway. This means we will be the home team at all the games, and that will be more interesting.

The reports from the training camp are swell. The team must look very good. It should if you can go by names. I will have my man start sending some news to Trenton this week. I think I will send it to Mr McKechnie. If you want it also let me know. I think McKechnie may be able to handle the daily papers better than you. What is the best Colored paper in Trenton? I mean what has the largest circulation? Let me know so I can get them to use some stuff.

Let me know if you have any more ideas. Play up the opening night game as much as possible. I do hope it is not too cool then.

Very Truly Yours
